

**HEY <<FIRST-NAME>>!**

Welcome to The Ohio State University!

You're joining the Buckeye community at an exciting time: Throughout your first term, Ohio State will be celebrating its 150th anniversary. We're marking this big anniversary in a lot of big ways — both honoring the university's past and celebrating Ohio State's exciting future.

As a new Buckeye, you'll be part of that future. And the foundation for your Ohio State experience will be built at orientation.

During your orientation program, you'll find answers for your important questions, and you'll connect with the people and resources that will support you during your collegiate experience. You'll meet with your academic advisor to schedule classes for your first semester. You'll learn more about the university. You'll get to know faculty, staff and your peers.

In short, your orientation program will set you up for success at Ohio State.

We're excited to welcome you in person to the Buckeye family. See you soon!
