

### Building Tomorrow's Leaders... Today

### *Start Challenging Yourself.*

A **life without challenge**, a **life without** hardship, a **life without** purpose, seems pale and pointless. With **challenge** come perseverance and initiative. With hardship come resilience and resolve. With purpose come strength and understanding.

Army ROTC offers one of the most challenging **leadership courses** in the country, and it can be part of your normal college curriculum. Army ROTC is designed as a **Military Science Elective** which requires **no military obligation**. In fact, students that can successfully complete a Military Science elective each semester during the normal academic school year will earn a **Military Science Minor**, and can earn an appointment from the President of the United States to serve as a **Commissioned Officer** upon graduation.

Military Science curriculum focuses on **Leadership Development, Problem Solving, Strategic Planning, and Professional Ethics**.

#### **Military Science 1101: Introduction to the Army and Critical Thinking** (1 credit hour)

*Choose a Lecture section*

11989 (section 40)	Lecture	Tues.	9:10am-10:05am	Converse Hall 215
35731 (section 60)	Lecture	Tues.	11:30am-12:25pm	Converse Hall 215
11870 (section 50)	Lecture	Tues.	1:50pm-2:45pm	Converse Hall 239
11868 (section 20)	Lecture	Wed.	10:20am-11:15am	Converse Hall 239
11867 (section 10)	Lecture	Thur.	9:10am-10:05am	Converse Hall 215

*You will be automatically enrolled in the Lab section*

11869 (section 30)	Lab	Tues.	7:05am-8:55am	Converse Hall 215
--------------------	-----	-------	---------------	-------------------

The more **you challenge yourself** and succeed, the greater your confidence in your ability to do it again next time. **Challenge** does not just help **you** grow your skills and knowledge, it helps **you** grow your belief that **you** can.

If you are looking for a college course that will challenge you to grow into a better leader then contact our **Military Science Advisor** at **614-571-1354** or at [armyrotc@osu.edu](mailto:armyrotc@osu.edu) to discuss enrollment options and scholarship incentives.
