NEW STUDENTS

Welcome to Ohio State, and congratulations on becoming a Buckeye! **The Office of Student Life Disability Services (SLDS)** is committed to creating an accessible educational experience for students. We partner with students, faculty and staff to design accessible environments and to provide academic accommodations and support services for students with qualifying conditions (see below). We encourage students interested in receiving academic accommodations to connect with our office.

QUALIFYING FOR SERVICES

“Disability” is a broad term that includes, but is not limited to, mental health conditions, chronic health conditions, temporary injuries, physical/learning disabilities and ADHD.

REGISTERING WITH SLDS

Students register with SLDS to be approved for accommodations. Please note that accommodations do not automatically transfer from K-12 or another college/university, including other Ohio State campuses. SLDS invites you to visit our Orientation webpage to find FAQs, “Meet Your Access Specialist” videos and more!

Please visit: slds.osu.edu/orientation

(Registration is confidential and does not appear on transcripts. Medical documentation and information are kept private. Once registered, students only notify their instructors about their accommodations if they want to utilize accommodations in that instructor’s course.)
